Use this after learners answer

Keep the fixed conditions visible: East seat, East prevailing wind, self-draw, no bonuses, and all concealed. This kit uses fixed Wong practice-table rules, is not a general scoring reference, and has independent Mahjong expert review pending.

Answer 1: the draw

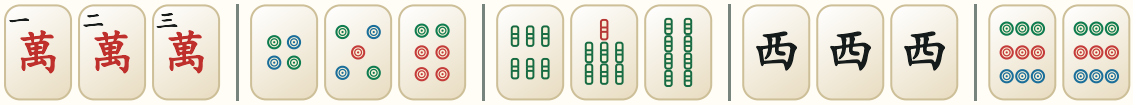

Nine Circle. It pairs the waiting Nine Circle: 14 tiles, four sets and a pair.

Answer 2: the Tai

Red Dragon Pong: 1 Tai; Hu allowed. In this fixed all-concealed, self-draw example, Red Dragon Pong supplies the one Tai.

Answer 3: the West transfer

West: 0 Tai; no Hu. The completed shape remains, but a West Wind Pong supplies no Tai when both the seat and prevailing wind are East.

Close the loop

Say the sequence aloud: “Complete shape first. Then at least one Tai.” Learners can try the fixed lesson, inspect the tile atlas, agree table settings in the table companion, or read the full guide.
